Yes, I think that is the plan, but it hasn't happened yet and I did not know if she had sent you the invite to the 4:30. The title is different from the norm so I'm not sure the exact issue.

We have a ton for the weekly, including the shutdown stuff that I think is needed today. Monique suggested switching with ECRCO, which I think is going to happen, though I haven't seen it on the calendar yet.
